

# Youth Agency Info for UMC-DSMC

---

**Big Brothers Big Sisters** is the world's largest mentoring program helping over 280,000 children around the world reach their potential through professionally supported one-to-one relationships.

**Vision:** Children around the world realize their potential, creating a better future for themselves, their countries, and the global community.

**Mission:** To help children around the world reach their potential through professionally supported one-to-one mentoring relationships with measurable impact.

**Who We Are:** All Big Brothers Big Sisters organizations share one mission, unchanged since the first agency's founding in 1904 in America: to help at-risk young people achieve their full potential through professionally supported one-to-one mentoring with measurable outcomes.
